

Congratulations on being selected for the May 2017's edition of RockStars Rising!

Q. Hey Jaxon! Can you tell us how you heard about the RockStars Rising program?

Jaxon: From my mommy.

Q. You look like you enjoy playing the drums just by seeing you on the cover of RockStars Rising! Are drums your favorite instrument to play? What got you wanting to play drums?

Jaxon: Drums and piano are my favorite. I like the sound of the drums.

Q. Can you tell me what you're learning with Scott? What songs are you working on and what songs would you like to work on next?

Jaxon: Drums, piano and I sing songs with him. Scott is teaching me the "We Will Rock You" song on the drums! I want to learn "Something Just Like This" by Coldplay on the piano.

Q. Can you name some of your favorite bands and tell me who got you into music?

Jaxon: I like to listen to all the songs on the radio in the car. My Mom got me into music.

Q. Did you know our RockStars Rising program allows you to learn up to 3 instruments? Not at the same time of course :) Which 3 instruments would you like to learn and why?

Jaxon: Guitar because I like the rock and roll sound. Piano because I like the keys and drums because they are fun.

Q. I know you just started lessons, and soon you'll be ready to play in a band. Is that something you may want to do? We host musical showcases and would love to have you perform next year! How does that sound? What song would you like to play?

Jaxon: Yes. That sounds good. I want to play "Something Just Like This" by Coldplay.

On behalf of all of us at the Staten Island School of ROCK, we want to say Thank You for being a part of our family!
